### Right-of-Entry Agreement For The Groundwater Quality Monitoring Program

I, \_\_\_\_\_, hereby grant permission to the Tehachapi-Cummings County Water District, (District) and its officers, employees, agents (including member district staff), for ingress and egress with all necessary equipment on the following lands in the County of Kern, State of California:

Assessors Parcel Number _____	Well Number _____
Assessors Parcel Number _____	Well Number _____
Assessors Parcel Number _____	Well Number _____

This Right-of-Entry Agreement is for the purpose of measuring groundwater levels and/or groundwater quality as described in connection with the Groundwater Quality Monitoring Program objectives, a summary of which is attached hereto. Such permission is subject to the following conditions.

1. In the performance of the above-referenced work, reasonable precautions shall be exercised by the District to avoid damage to persons or property. The District shall hold the Permittee harmless from any such damages caused by the negligence of the District or any of the other permittees named herein; provided, however, that the District shall not be responsible or liable to Permittee for the consequences of any act which was beyond the control of the District or the other permittees.
2. This permit shall be in full force and effect and shall continue until such time as it is terminated by either the District or the Permittee in writing.
